## School Newsletter

13eg Mawrth 2026

### Class News - Newyddion Dosbarth

#### Dosbarth Tysilio

- We have been drafting and editing our own alien poems in our language work
- We have been doubling numbers (Reception) and adding to a 10 (Year 1 & 2) in our mathematical work
- We have been finding out all about the phases of the moon as part of our topic work
- In Cymraeg we have been using positional language
- We've also been creating some very special artwork

#### Dosbarth Tecla

- This week we have been working with our talking partners to plan, edit and redraft our "Food Stories." We "maggied" interesting adjectives and story openers from our support sheets to help improve our writing. We also practised including dialogue in our stories to make them more engaging.
- We have also begun researching "Easter Around the World" as part of our Easter Church Project. We are finding out how different countries celebrate Easter, from Good Friday through to Easter Sunday. We look forward to sharing our discoveries with you during our Easter Service.
- In Cymraeg this week, we created our "Bwydlen Perffaith" (perfect menu). Our menus included a wide variety of foods, from *crempog*, *iogwrt a ffrwythau* for breakfast to *bwyd môr* for tea!
- In Maths Bl 3 have been measuring in centimetres & millimetres, Bl 4 have been learning about perimeter of polygons, Bl 5 have been learning about equivalent fractions and tenths, while Bl 6 have been solving algebra problems.
