Dosbarth Tysilio

- This week in Dosbarth Tysilio we have been busy learning all about our solar system. The children have enjoyed researching the different planets, learning their names and working together to place them in the correct order from the sun.
- In maths we have continued developing our addition skills, using our number bonds to help us solve number problems. We have also been practising measuring using centimetres.
- Our Reception children have begun learning about digraphs, which is when two letters work together to make one sound.
- In PE we have been enjoying our Star Skies dance, where the children have been exploring movement inspired by astronauts and space.
- It has been a lovely week of learning and exploring together!

- What a busy week we've had! We participated in our School Eisteddfod; celebrating Diwrnod Dewi Sant.
- A school trip to Danger Point and dressed up for World Book Day!
- We all enjoyed our first Forest School session on Monday with Mrs Williams; it was great to hear how enthusiastic everyone was during the session. Don't forget to bring suitable clothing and footwear every Monday until Easter Holidays.
